- ☐ Heart, square, circle, and star 4-5-inch cutouts, two of each per Small Group
- ☐ Chairs, two per Small Group
- ☐ Optional: Paper towel rolls in place of easel paper

Inclusive Pro Tips

① What You Do

Before the Activity

1. Place two chairs next to each, about three feet from each other in an open area of the room.
2. Unroll about five feet of each roll of paper and tuck the remaining underneath each chair.
3. Each strip should run parallel to one another.

During the Activity

1. Encourage two children to sit in either chair.
2. When you say, 'Go,' children will move the shapes closer to them by stepping and dragging the paper strip with their feet.
3. The first one to get the four shapes to their chair wins. Encourage everyone to celebrate.
4. Reset the paper strips and play again, allowing every child to have a turn.
5. Replace the paper strips as needed if they tear.

After the Activity

Introduce the Bible Story.

② What You Say

Before the Activity

"Friends, come stand here with me! There are two long strips of paper on the floor. Both papers have four shapes on them. **(Point to each one.)** Hearts, squares, circles, and stars. These are all the shapes we've been learning about. Let's play a game to see who can get all the shapes to them first. I'll call on two friends to sit in the chairs like this. **(Sit in one of the chairs).** When I say, 'Go!' I want you to pull the paper to you with your feet like this, until all the shapes reach your chair. **(Demonstrate, being careful not to rip the paper.)** But remember, you can **ONLY** use your feet."

Getting Ready

Social

Encourage preschoolers to enter the classroom and engage with peers and Small Group Leaders by providing fun, age-appropriate, hands-on activities that introduce new concepts they will hear in the Bible Story.

Offer one or more of the following activities as preschoolers arrive. Let one or two Small Group Leaders lead activities in different areas of the room while another leader greets parents and children at the door.

Groups

Create a safe place to connect through activities written to reach every learning style while reinforcing the Bottom Line introduced during the Bible Story and applying it to real-life experiences. In addition, these activities provide preschoolers with an opportunity to build relationships with their Small Group Leader.

Offer as many of the following activities as your time, facilities, resources, and leadership allow. You may want to lead one activity at a time. Or offer two activities at once and allow half the children to participate in each. Then switch groups and repeat the activities.

Getting Ready

Social

Encourage preschoolers to enter the classroom and engage with peers and Small Group Leaders by providing fun, age-appropriate, hands-on activities that introduce new concepts they will hear in the Bible Story.

Offer one or more of the following activities as preschoolers arrive. Let one or two Small Group Leaders lead activities in different areas of the room while another leader greets parents and children at the door.

Groups

Create a safe place to connect through activities written to reach every learning style while reinforcing the Bottom Line introduced during the Bible Story and applying it to real-life experiences. In addition, these activities provide preschoolers with an opportunity to build relationships with their Small Group Leader.

Offer as many of the following activities as your time, facilities, resources, and leadership allow. You may want to lead one activity at a time. Or offer two activities at once and allow half the children to participate in each. Then switch groups and repeat the activities.
